PLANT & TOOL HIRE

WITH WHC HIRE SERVICES LIMITED

Hire Charges Price Guide

Welcome to WHC Hire Services

Plant and Tool Hire

WHC Hire Services is an experienced supplier of plant and tool hire to both business and domestic users throughout the West Midlands. With depots in Worcester, Tewkesbury and Chipping Norton, we supply large plant to contractors, civil engineers, local groundwork contractors, builders. We offer a wide range of new plant and tools, particularly specialising in the supply of excavators, which are secured safely onto trailers by WHC's unique, trade-marked 'TRACK-LOCK' system. With our continued investment and an ever developing hire fleet, we supply plant and tool hire to highway agencies, construction and building companies and the manufacturing sector.

DIY Tool Hire

We offer a comprehensive range of equipment for hire to DIY customers and small businesses, all maintained and tested to the highest standards. WHC has developed light, clean and welcoming hire centres, with friendly, knowledgeable staff who are happy to give advice about your specific projects.

Gardening and Groundskeeping Equipment

Our stock includes a vast range of equipment for gardening and groundcare.

Long term hire rates are also available - Please call for details

**Hand rail system to suit all*

** The price for these sizes includes a set of outriggers and bases.*

** Larger towers are available on request, but it should be noted that the height of towers must not exceed 2.5 times the smallest base dimensions without tying to the building or using outriggers.*

** All our towers are supplied with a complete set of guard rails, kickboards and platforms.*

We remind customers that towers should not be on soft ground without first taking proper precautions.

**Get the
job done safely
with**

TRACK-LOCKTM

The original, best, patented excavator transport safety system.

Ensuring the safety of your workforce and the public, TRACK-LOCK promotes a safe working environment and prevents damage to plant.

- The safest excavator transport system available
- Non-mechanical, not dependant on plant hydraulics to secure
- A lightweight, easy-to-use system
- Use with any sided plant trailer and any make of mini-excavator
- Includes a safe tool attachment system

For current hire charges see our 'Trailers' section on the facing page. Long term hire rates are also available – Please call for details.

General Information

1. Equipment supplied Standard CPA/HAE conditions of hire (copy on request).
2. A deposit will be required from non-account customers, the amount will depend on the value of the equipment plus proof of identity: (driving licence or passport). Deposits will only be accepted with a Debit / Credit Card.
3. Delivery can be arranged at a nominal charge according to distance.
4. Hire rates are calculated on a 7 DAY week basis.
5. Equipment hired for weekend use must be returned by 9.30am Monday morning, or an extra day will be charged.
6. We are open all day MONDAY to FRIDAY 7.30am to 5.00pm and SATURDAY 8.00am to 12.00pm at the Depots.
7. The Hirer is responsible for routine maintenance and must ensure that the equipment is kept in a safe working condition.
8. The Hirer is responsible for insurance from receiving the equipment to the time of return or collection.
9. A charge will be made for equipment returned damaged or excessively dirty.
10. Our staff will be happy to demonstrate equipment and advise on operating and safety procedures.
11. A full range of safety equipment is also available.
12. All prices shown are exclusive of V.A.T and are subject to alteration without prior notice.
13. All mechanical equipment is cleaned and serviced after every hire and carries a checked ticket, a part of which can be kept by the hirer, and the other part attached to the hire contract.

Customers are responsible for ensuring that they only use un-rebated fuel (white diesel) to refuel plant and equipment hired from WHC (As of the 1st April 2022 latest legislation any machines returned from hire with red diesel in will have to have the fuel tank drained, flushed, new filters and refilled with white diesel. This will be a chargeable cost to you the customer.)

It's simple.

The tools you want,

when you want,

delivered where you want.
