Welcome to WHC Hire Services

Plant and Tool Hire

WHC Hire Services is an experienced supplier of plant and tool hire to both business and domestic users throughout the West Midlands. With depots in Worcester, Tewkesbury and Chipping Norton, we supply large plant to contractors, civil engineers, local groundwork contractors, builders. We offer a wide range of new plant and tools, particularly specialising in the supply of excavators, which are secured safely onto trailers by WHC's unique, trade-marked 'TRACK-LOCK' system. With our continued investment and an ever developing hire fleet, we supply plant and tool hire to highway agencies, construction and building companies and the manufacturing sector.

DIY Tool Hire

We offer a comprehensive range of equipment for hire to DIY customers and small businesses, all maintained and tested to the highest standards. WHC has developed light, clean and welcoming hire centres, with friendly, knowledgeable staff who are happy to give advice about your specific projects.

Gardening and Groundskeeping Equipment

Our stock includes a vast range of equipment for gardening and groundcare.

Long term hire rates are also available - Please call for details

*Hand rail system to suit all

* The price for these sizes includes a set of outriggers and bases.

* Larger towers are available on request, but it should be noted that the height of towers must not exceed 2.5 times the smallest base dimensions without tying to the building or using outriggers.

* All our towers are supplied with a complete set of guard rails, kickboards and platforms.

We remind customers that towers should not be on soft ground without first taking proper precautions.
